PRESIDENTIAL YOUTH ENGAGEMENT - THE PRESIDENT REFLECTS ON THREE YEARS OF THE PYEI & PES

The National Youth Development Agency under the auspices of the Department of Women, Youth and Persons with Disabilities, as a key partner and implementing agent of the Presidential Youth Employment Intervention will be hosting an event on Tuesday, 6 February 2024 in the Western Cape.

His Excellency, President Cyril Ramaphosa will grace us with his presence at this event which seeks to reflect on the three years since the implementation of the Presidential Employment Stimulus and Youth Employment Intervention. The Presidential Employment Stimulus and Presidential Youth Employment Intervention have both been hallmark program of the sixth administration.

Collectively, they have delivered more than 1.8 million job opportunities and livelihood support to predominantly young people.

Furthermore, in the build-up to the State of the Nation Address 2024 and as the sixth administration approaches its close, this engagement provides an opportunity to acknowledge the work of the partners and beneficiaries in contributing to a better country and to have a call to action for the next phase of the program.

During the engagement, the young people will have access to:

- Training hub whereby they will interact with trainers, mentors and young individuals who have benefitted from this intervention
- Opportunities hub for stakeholders to showcase opportunities for the youth to aid them transition from learning to earning;
- Partners hub whereby all partners of the PYEI will be showcasing their contributions program;

Each hub will seek to highlight the importance of youth development program, and PYEI.

Through this event, the NYDA aims to create a platform to not only showcase existing youth program and opportunities but also engage directly with young beneficiaries, stakeholders, and foster a dialogue for continuous support and improvement in youth development initiatives.
